

## TERMS AND POLICIES

### What Happens If the Retreat Itself is Canceled Due To Travel Restrictions?

If Daniel Dore Coaching Ltd, The Farm (Venue), or any other facility is forced to cancel or postpone a retreat due to travel restrictions, we will offer a transfer to another retreat or a refund. Daniel Dore Coaching Ltd cannot be held responsible for any personal expenses, such as airline tickets, due to changes in itineraries or retreat cancellations.

### What If I Get Sick And Need to Quarantine?

We will follow policies and advice of the local authorities and will assist you as much as possible. Daniel Dore Coaching Ltd is not responsible for additional costs due to quarantines and/or medical sickness. Travel Insurance (see below) may help address additional costs that may incur as a result of sickness and mandatory quarantine.

### Cancellation Policy

If you cancel your reservation, up to 60 days before the retreat, you can receive a full refund of your deposit or your full payment if applicable. If you cancel less than 60 days prior to your retreat start date, 100% of the deposit or retreat payment will be forfeited. If you wish to rebook for a later date, we may at our own discretion offer a small good faith discount at that time.

### Travel Insurance - Should You Buy It?

Life can be unpredictable and these days things can change rapidly, especially when it comes to travel. The best way to protect your investment in a retreat is to purchase travel insurance. Travel insurance will often cover cancellations due to illness or injury, medical bills incurred while traveling, and costs associated with unforeseen trip delays.

Buying a plan can be a smart move if you are feeling cautious about the cost of your trip, possible illness or injury, or potential weather-related cancellations or interruptions. Travel insurance can also help reimburse you for pre-paid events (like a retreat!) that you would lose if you needed to cancel your trip.

NOTE: To receive the full benefit of travel insurance, it often needs to be purchased within 14 days of booking your retreat (not from the date of your retreat).

### Cancel For Any Reason Policy

Like any insurance, there are rules and exclusions for certain types of claims. There is, however, a type of coverage called "cancel for any reason." With this high-end coverage, the insurance company will reimburse 50-75% of non-refundable expenses if you need to cancel your retreat.

### Where Can I Get Travel Insurance?

There are a lot of choices for coverage:

Airlines often partner with insurance companies to offer protection to their passengers.

You might be covered in some ways by your homeowner's insurance.
